

# BUILDING WHAT MATTERS

Within the walls of our facility, kids, families and seniors play, laugh and work together to improve their lives. For the last seventy years, the YMCA has been strengthening our community by connecting people to their potential, their purpose and each other.

To continue impacting the potential of thousands of kids, seniors and families each year, we launched the Building What Matters Capital Campaign because we are committed to ensuring the YMCA remains a vital part of McMinn County's community life. Together, we can create a better future for our community.

**FOUNDER** \$100,000 GIFT OR GREATER

**BENEFACTOR** \$50,000-\$99,000

**GOLD** \$25,000-\$49,999

**SILVER** \$5,000-\$24,999

**BRONZE** \$1,000-\$4,999

**FRIEND OF THE Y** \$1-\$999

**TOTAL  
UNMET NEED:  
\$225,000**

"This is an important time in the history of the Athens-McMinn Family YMCA. We have the opportunity to ensure that future generations have the same strong, vibrant Y. Join me in helping build what matters." Fred Burke - Past Board President

# WHAT WE'RE BUILDING

# WHY IT MATTERS

## NEW ADA ACCESSIBLE FAMILY LOCKER ROOMS AND LOWER LOBBY ADA ACCESSIBLE FAMILY RESTROOMS

Two ADA accessible **FAMILY LOCKER ROOMS** and four ADA accessible **FAMILY RESTROOMS** will be constructed to provide accessibility **FOR ALL**. Each family locker room will feature a handicap accessible shower, toilet, changing space and sink along with day locker access. This provides a **SAFE** place for parents with small children when using the adult locker rooms are not ideal. The family restroom provides individual restrooms which are ideal for youth programming.

## UPDATED MEN'S AND WOMEN'S LOCKER ROOMS

Our new **Y LOCKER ROOMS** will include bright, comfortable spaces with privacy and accessibility as a key feature. The finished spaces will include revitalized individual showers, counters, day lockers, and dry changing spaces.

## ADA HANDICAP LIFTS

A Y is a **COMMUNITY** where people grow and learn together. Our facility is the cornerstone of that community. Adding two ADA lifts - one from the upper lobby to the lower lobby and another from the lower lobby to the pool deck - makes **COMMUNITY** accessible **FOR ALL**.

## INFRASTRUCTURE INVESTMENTS

Our facility was built in 1975 and has served this **COMMUNITY** well. In order to ensure this capital project is successful, there are key infrastructure updates that must be made in Locker Room HVAC improvements, plumbing, and electrical.

With this campaign, we are looking to  
**BUILD WHAT MATTERS.**

**BUT WE CAN'T DO IT WITHOUT YOUR HELP.**
